SAFETY FIRST

Children are one of our church's most valuable assets! Part of our job as adults is to help children learn acceptable behavior in the classroom, the church, and the world. Rough play and running in church and on church grounds threatens everyone. In order to provide a safe environment for all, we are asking for parent/guardian help in the following ways:

- I agree to discuss with my child or youth (and any child or youth I bring as a guest) the importance of the safety of themselves and others; respect for other children and youth, adults and property; and the need to follow adult supervision in and out of the classroom. Any adult at CUUC has the authority to call children and youth on their behavior (as long as that does not violate the child's or youth's personal safety). Parents and guardians are expected to assist in any intervention if called upon.

_____ (Initials)

- Since some members of our congregation are allergic to **peanuts, an allergy with potentially serious health consequences**, I will do my best to make sure any snack I may bring is free from peanut contamination. (Many packaged snacks have a notice on the label if they contain peanuts, peanut oil or peanut butter, or may have been exposed to peanuts. Fresh fruit is always a good choice, and many crackers are also safe.)

_____ (Initials)

- Children in **grades 5 and under** will not be released after class until a parent/guardian picks them up. I agree to pick up my child no later than 10 minutes after the service.

VOLUNTEER OPPORTUNITIES

Our Religious Education Program is a cooperative effort.
It works because parents and other adults share their time, talents and skills.
Parents and guardians are expected to assist at least once every year (see below).

Thank you!

I would like to learn more about the following way(s) to participate:

Assist in my child's or youth's classroom on one or more Sundays during the year

Assist in providing child care, either during a Sunday service or a church event

Assist with or plan a holiday program, party, special activity or field trip

I have a hobby, social justice experience, or spiritual practice I might be interested in sharing with children or youth. Please list: _____
